**Subject : Controtec Distributor's Authorization in Israel**

Date: 10th February 2026

We, PROCESS SENSING TECHNOLOGIES (PST), a DwyerOmega brand, manufacturer of analytical equipment and measuring instruments, hereby certify that Controtec, located at 4 Etgar st, Tirat HaCarmel, Israel, 3903215, is an authorized distributor for Rotronic products in Israel. In addition, Controtec is authorized to service and calibrate all Rotronic products.

We certify that we will provide all requested products, spare parts and any necessary technical support to them.

The active distributor authorization is valid until December 31st, 2026 unless the distribution contract will be terminated.

Process Sensing Technologies equipment is guaranteed against manufacturing defects for twelve months from the date of delivery.
